Dear Hermosa Citizen,

The Hermosa Board of Trustees has engaged Benesch Corporation to prepare an updated Comprehensive Plan for the town. A Comprehensive Plan is a document that provides guidance for decision makers, assesses community facilities, identify areas for growth, examines management of assets, and public policies to serve current and future residents and businesses.

An important part of the plan involves an opportunity for your participation. A survey is available for you to complete and return to the Town Hall. Please do not put your name on the survey as we would like to maintain anonymity and encourage candid responses. You may complete one survey per household. Alternatively, you may copy it for other members of the household. The survey will provide directions, establish community priorities, and recommendations to be included in the plan.

Please return the completed survey no later than April 29, 2025. The Town Hall has a drop-off box that may be used for your convenience. I will be hosting a public meeting for those who would like to share comments in person. It will be April 29, 2025, 6:00 to 8:00 pm at the Hermosa Community Center, 122 Violet Street.

I want to thank you for your attention and cooperation. If you have any questions, you may contact me at 402 479-2241 or [nputnam@benesch.com](mailto:nputnam@benesch.com).

Sincerely,

Neil Putnam, AICP

Town Planner
